PROFILE

I am a highly motivated professional with a strong work ethic and proven leadership abilities. I excel in critical thinking, time management, and customer service, with a focus on fostering positive relationships and teamwork. Known for my adaptability, strong technical knowledge, and ability to learn quickly, I thrive in dynamic environments and am committed to personal and professional growth. I am seeking an opportunity with a company that values camaraderie, career advancement, and the development of both individual and team success.

WORK EXPERIENCE

Frontier Airlines 2021 - PRESENT
Flight Attendant

- As a Flight Attendant, I provide exceptional service to all customers on and off the aircraft. This includes basic needs to life saving measures. I collaborate effectively within a diverse team environment, managing multiple tasks and priorities simultaneously to ensure smooth workflow and project completion. I have a firm grasp of rules and regulations enforced by the FAA. I receive annual training reviewing my knowledge of these safety/security procedures.

BNSF Railway 2018 - 2020
Track Maintenance Supervisor

- At BNSF Railway, safety is the top priority. In order to transition into a supervisory role, I was required to thoroughly understand and retain the rules and regulations set forth by the Federal Railroad Administration (FRA) and BNSF Railway. My responsibilities included leading safety and project briefings, conducting inspections of completed projects, and maintaining a safe work environment to protect both employees and the general public.

Butte County Superior Court 2017 - 2018
Compliance Specialist

- As a Compliance Specialist, I was responsible for auditing accounts, assessing eligibility for various programs, and providing accurate information to defendants. Additionally, I assisted defendants in ensuring compliance with court orders, addressing any incomplete or overdue obligations.

Sundial Orchards 2014 - 2016
Farm Hand

- Consistently worked extended hours, six days a week, while maintaining high-quality production standards.

Milestone Technologies 2013 - 2014
Technical Support

- At Milestone, I provided technical support to customers, assisting them in troubleshooting issues with their Android devices via phone and email. Bi-weekly training sessions were conducted on new product releases and quality assurance protocols utilizing my multitasking, communication, and time management skills.

Gold Country Casino & Hotel 2010 - 2013
Hotel Front Desk

- As a Front Desk Agent, I was responsible for managing hotel reservations, greeting and assisting guests, and ensuring a positive guest experience. My duties also included conducting internal audits, operating the register, and efficiently utilizing multiple computer systems and software.
